Scott 2011 Standard Postage Stamp Catalogue, Vol. 4: Countries Of The World- J-M

Synopsis

Value activity in Volume 4 is centered on more of the modern issues. In Kuwait, starting about 1990 the number of value changes increases noticeably and the sizes of the value increases also are striking. In Macao, stamps from 1981 to mid-2000s era had considerable gains. An example is Scott 539, the 1.30p Dr. Sun Yat-sen souvenir sheet of 1 of 1986. It leaps to \$62.50 mint, never hinged and \$45 used, from just \$12 mint, never hinged and \$9 used in last year's Volume 4. There were more than 900 value changes in Latvia with sharp increases for stamps issued under Russian occupation in 1919, Scott 2N1-2N36. Volume 4 is the first Volume of the 2011 catalogues that features the new country alignments. The 2011 edition of Volume 4 contains countries of the world alphabetically from the J through the M countries.

Customer Reviews

This set of catalogs are \$600. new I got whole set for just over \$100. I had never realized you sell gently used books this gave me the opportunity to have the complete set, You ROCK!!!!

I wasn't paying attention that this is just one volume of a set. This is helpful for the avid collector, but an expense for the casual stamp collector.

Very pleased with the condition of this item, not to mention the unbelievable low price. Just what I

was looking for. Well done and thank you.

Wonderful transaction. My husband had wanted a set of these books for a very long time and the price was definately right.
