Gold And Silver From The World Trade Center Vol. 1 (PCGS Certifies The Coins WTC Ground Zero Recovery)

Synopsis

This WTC Coins are a piece of our nation's history that not many people know yet. These actual pieces of silver, gold and platinum was recovered from Ground Zero where the coins were gathered. Creating what is very literally a physical piece of our history. It's hard to actually take a piece of history since any real piece of historical events have been categorized and placed safely in museums. Now of course we can visit these museums and see history with our own eyes but how rarely can we actually hold and own a piece of that history? Practically never, until now that is. You can physically hold a piece of Ground Zero. It's completely and utterly overwhelming to look down in your hand and see these pieces of metal. You will literally have your breath taken away as you gaze upon these beautiful Gold and Silver PCGS WTC coins. Now read the story of how they came to be under the world trade center when it collapsed and how they were certified by the PCGS as Ground Zero recovery coins that now a large group of collectors find in their collection.
