Where Do Babies Come From?: Our First Talk About Birth (Just Enough)

Synopsis

An engaging introduction for very young children to the basic facts of life in a way that is gentle, age-appropriate and accessible. Child psychologist Dr. Jillian Roberts created the Just Enough series to help parents and caregivers approach difficult subjects with little ones. These primers offer a gentle and accessible starting point for conversations about important topics. Â Â Â Research shows that children are learning about sex at an increasingly young age and often from undesirable sources. The Q&A format, with questions posed in the childâ™s voice and answers starting simply and becoming gradually more in-depth, allows the adult to guide the conversation to a natural and satisfying conclusion. Additional questions at the back of the book allow for further discussion. Â Â Â Where Do Babies Come From? is the first book in the Just Enough series. Other topics in the series will include death, cultural diversity and separation or divorce.

Book Information

Lexile Measure: AD590L (What's this?)

Series: Just Enough

Hardcover: 32 pages

Publisher: Orca Book Publishers (October 13, 2015)

Language: English

ISBN-10: 1459809424

ISBN-13: 978-1459809420

Product Dimensions: 8.5 x 0.4 x 8.5 inches

Shipping Weight: 1.6 pounds (View shipping rates and policies)
