Customer Reviews

Paid the higher price so my son could receive the new book with access code. The access code did not work. My son is away at school so for he can get his work done I had to pay out more money for an access code. So much for talking to an individual for help.

Delivered as promised - perfect condition - key worked as promised.

Access code has already been used. Dirtyand written in. Now i have to decide wether to return or just buy the access code
