Snoopy: Party Animal

Synopsis

Party with Snoopy and all your other friends from the Peanuts world in this collection of classic cartoons for kids! Snoopy may only live in a doghouse, but he sure knows how to throw a party! Everyone's stopping by for the fun in this new AMP! Peanuts collection. Who's on the guest list? Charlie Brown, Lucy, Linus? You betcha! Even some birds, bunnies, and a friendly snowman join the party. But here's the best part . . . you're invited too! Yup, that's right. Just make sure you don't forget to bring Snoopy his supper on time. In this new collection the old gang is back at it with fun, adventures, and . . . a cat? Good grief! Check in with all your favorite Peanuts friends in this new addition, Snoopy: Party Animal. Don't forget your party hats!

Young and old will enjoy the Snoopy: Party Animal book. Purchased for a 12 year old, but the adults grabbed it first and were enjoying it so much, that I've decided to buy another so EVERYONE can enjoy it. Sooooo much fun. Better than prior ones we purchased. You won't be disappointed.

Snoopy! What's not to love! Amp comics has a new collection of Peanuts cartoons, mostly featuring Charlie Brown's inimitable dog, Snoopy. Snoopy: Party Animal features Snoopy, hanging out on his doghouse, talking to birds, stealing Linus's blanket, contemplating life, and, did I mention, hanging out on his doghouse? Charles M. Schulz's main character in Peanuts may have been Charlie Brown, but Snoopy usually steals the show. He's the dog with attitude, wisdom, and a great outlook on life,

who balances Charlie Brown's gloomy optimism (or was it optimistic gloominess?). Even though Schulz passed away in 2000, Peanuts still appears in many papers and, of course, collections like this continue to be published. The Peanuts holiday specials are perennial favorites, and a recent feature film introduced Snoopy and the gang to new audiences. Snoopy's antics and wisdom are timeless (although I would be interested to know the original publication dates of these comic strips). Snoopy may be a smart alec, and sometimes he's just a little arrogant, but he's still a good dog, Charlie Brown. Thanks to NetGalley and the publisher for the complimentary electronic review copy!

'Snoopy: Party Animal' by Charles M. Schulz is a collection of classic Peanuts strips mostly featuring Snoopy. The main thing we learn is that Snoopy likes his supper. And he doesn't mind hosting the occasional gathering of birds at his place. Frieda decides to get her own pet because she thinks Snoopy is too smug, so she gets a cat. There are cartoons featuring all teh seasons, but the Fall ones might be my favorite, with the Great Pumpkin and Charlie Brown trying to kick the football that Lucy is holding for him. Snoopy is a vulture and a fierce mountain lion, and after Linus' blanket. These are reprints of classic strips and they've be colorized. I don't mind these being in color, but they've made Charlie Brown's shirt red! It's always been yellow, so I'm not sure what they were thinking. Also, Frieda's cat is one color, then in another strip, it's a completely different color. So, consistency in the color would have been nice and also referencing colors from other sources. But this is a collection for kids, not particularly enthusiasts or collectors, and it's a fun one for old and new readers alike. I received a review copy of this graphic novel from Andrews McMeel Publishing and NetGalley in exchange for an honest review. Thank you for allowing me to review this graphic novel.
