Blood Moons: Decoding The Imminent Heavenly Signs

Synopsis

"The sun shall be turned into darkness, and the moon into blood, before the great and the terrible day of the LORD come." Joel 2:31 From the beginning, in Genesis, God declared He specifically created the sun and the moon to be used for signs. These heavenly bodies would be used as signals of coming dramatic historical events when the Creator of the universe would intersect with human history. But how do we unlock the code to interpret the signals? The key is found in the riveting new book, *Blood Moons* by Pastor Mark Biltz. In 2007 Pastor Biltz first discovered the correlation between when blood moons fell on feast days and key historical world events. He found the divine link between prophecy, heavenly signs, historical events, and when they intersect. Throughout history God, the Master Timekeeper, has used the heavenly bodies to communicate to us when significant events will happen. If you want to understand the timing of the Lord, you have to understand the seasons of the Lord, the feasts of the Lord, and the calendar of the Lord. What are the feasts days? What is the difference between the biblical calendar and the one we use today? Why should you be concerned about eclipses in the sky? In *Blood Moons* Pastor Biltz answers these questions and more. He explains the importance of these biblical celebrations and milestones and shows how you too can be aware of the signs of things to come.

I must admit I started this book with a bit of hesitation. Though I think the subject matter is worthy of investigation, it seems that often these type of topics get undermined by hype. Reassuringly, Pastor

Mark Biltz's book, Blood Moons: Decoding the Imminent Heavenly Signs does not fall into that category. The book was an intelligent and reasoned look at the subject by an enthusiastic Berean who sees the evidence he discovered as one (of the many) signs which point to the soon return of Yeshua. In Revelation 19:10 it says that, "...the testimony of Yeshua/Jesus is the spirit of prophecy." One of my personal tests when reading books on Bible prophecy is to see if the "spirit" of the book testifies to Yeshua as the Messiah promised in the Scripture. To me, if the main focus of the book is not pointing me towards the Messiah then no matter how interesting or exciting the information, I consider it suspect. After reading Blood Moons I think you will find, like me, that Pastor Biltz is opening the pages of the Scripture with wonderful insights and at every opportunity pointing you towards Yeshua the Messiah. Some of the highlights of the book were:
*The Hebrew word pictures.
*The Divine appointments: Pastor Biltz's explanation of the Biblical feast days in light of Yeshua's 1st and 2nd coming is one of the best parts of the book.
*A Biblical reckoning of time. (i.e. the Biblical calendar is based upon lunar/solar cycles)
*The eclipse events as they relate to the Biblical calendar. (groundbreaking research)
*The importance of watching for Yeshua's return
When reading this book you will see the hand of YHWH at work in reconciling mankind through Yeshua.
