How To Sideload Apps On The Kindle Fire And Fire TV: A Guide To Sideloading Music, Video, And Android Apps Onto Fire Devices

Synopsis

Sideload a wealth of apps, music, videos and more to your Fire tablet, Fire Phone, or Fire TV! If you are a Fire tablet or Fire Phone owner who has been envious of the massive collection of Android apps available outside of the Appstore, this is the book for you. By means of a process called sideloading, you can load apps such as web browsers, custom e-mail apps, social networking apps, games, and more, directly onto your Fire tablet or Fire Phone. This book provides you with step-by-step procedures for sideloading apps, as well as music, photos, and videos, onto your Fire tablet or Fire Phone. You'll also discover how to load apps onto Amazon's Fire TV console and Fire TV Stick, and you'll learn of numerous free sources of Android apps. In this book by best-selling e-book author Ed Jones, you'll find clear step-by-step instructions that will help you add greatly to the power and flexibility of your Fire tablet, phone, or streaming device.

Customer Reviews

This guide offers good insight into sideloading your Fire devices. I have sideloaded apps on other Android devices before, thus, I was not afraid to play around with my Fire devices.

It is what it is. A book on how to sideload the Kindle. Nothing exciting or unexpected. Was it worth the .99 cents? Eh.
