My Facebook For Seniors (2nd Edition)

Synopsis

The perfect book to help anyone 50+ learn Facebook--in full color! Whether you are new to Facebook or would like to explore more of its features,Â My Facebook for Seniors makes learning to use the worldâ™s most popular social media site simple and fun. The full-color, step-by-step instructions make it easy to connect with family, friends, and colleagues; share digital photos; play social games on Facebook; and much more. Veteran author Michael Miller has written more than 100 nonfiction books and is known for his ability to explain complex topics to everyday readers.Â Michael wrote this book from the 50+ point of view, using relevant examples and covering all the most popular tasks. Here are just a few things you will learn how to do in this top-selling book:â ¢ Sign up for Facebook (itâ™s free!) and create a new accountâ ¢ Configure Facebookâ™s privacy settings to keep your personal information privateâ ¢ Find old friends who are also on Facebookâ ¢ Use the News Feed to discover what your friends are up toâ ¢ Discover how best to use Facebook to keep in touch with your kids and grandkidsâ ¢ Update your friends and family on your current activitiesâ ¢ View your friendsâ™ digital photos--and share your photos with friends and familyâ ¢ Personalize the Timeline page that your friends seeâ ¢ Use Facebook to schedule and manage real-world events--including birthdaysâ ¢ Chat privately with friends and family--via text or videoâ ¢ Find and follow pages from your favorite public figures and companiesâ ¢ Discover interesting topic-specific groupsâ ¢ Enhance Facebook with interesting apps and fun social gamesâ ¢ Search Facebook for useful informationâ ¢ Find out what you should--and shouldnâ™t--share on Facebookâ ¢ Use Facebook on your iPad, iPhone, or Android device Â

Customer Reviews

Although the title is a little demeaning, this is a good basic overall Facebook guide for ANY user. Since Facebook's own "Help" isn't at all helpful, in my experience, it's nice to have this book for both basic and advanced questions. Nicely organized, too.

This is an AARP recommended book. it's easy, clear, readable and focused, has step by step instructions, large color photos, common sense help tips and notes. A very good way to learn about Facebook.

This book has saved my life. It assumes the reader knows nothing so no steps are left out. Clear instructions and explanations. Good labeled pictures. Now I can enjoy facebook instead of facing a big mess.

Book very helpful. Easy to use. Index a great way to find quick answers for specific questions.

Excellent book for an introduction to Facebook. Simple, clear explanations take the beginner through the various aspect of setting up and using a Facebook account. Also has information of interest specifically for older users.

Clearly written and formatted for any age group, not just for we oldies but goodies. Up to date according to my twenty something niece. PS: personally I still choose to stay off Facebook but at least now it's not cuz I don't know how to use it!

A great basic guide for those of us who don't live, eat, & breathe social media, but still want to use it from time to time.

Just what I needed. Tired of asking everyone whats what. Now I know and as I go along I'm learning more and more. What a difference ! Thank you.
