## Customer Reviews

This cookbook has quick and easy Halloween Recipes from the traditional (Caramel Marshmallow Apples) to the truly inventive (Monster Mash Burgers). It has beverages (R.I.P. Potion, for instance) as well as main dishes (Grim Reaper Meal in a Pumpkin) and treats (Velociraptor Dirt). It also has instructions as to how to make forms (Monstrous Creepy Spiders). With such a variety to choose from, I would expect readers to find just the recipes they need for Halloween.

35 Halloween Recipes For The Faint Of Heart: Recipe Ideas for Halloween Parties, Dinner and Appetizers  
Themed Halloween cookbook for everybody. Kids should be able to help putting the dishes together. Some are party snack foods, some are main dishes with a Halloween twist. No pictures and no nutritional information. Really good and innovative ideas.

This recipe book is the BEST for any Halloween party. I can't believe the author came up with so many imaginative names for these treats. She gives you sweets and treats along with complete meal recipes. What a great idea! Thanks!

There are some really good recipes in this book. But some of them just seem to be regular recipes with Halloween names added to them. But still some very good ones in here, both for Halloween or for nice autumn day.

A timely book for Halloween - nice collection of yummy treats, including candies, cookies, punch and even several Halloween dinners. You can choose any number of them to make with your children and surprise your family and friends. It is filled with great recipes to help you celebrate this crazy, fun-filled holiday.

Halloween is such a fun holiday, and this cookbook on all things Halloween is a totally fun way to get your "eats on" to celebrate! It is not just sweets, although plenty of those, but main dishes and

apps too...for those "over the hill" goblins that show up! Enjoy.

Perfect timing. Fun and delicious recipes out in time to help anyone create the perfect foods for their Halloween party.

This is a super collection of fun Halloween recipes for kids and adults alike. Love to have 'Spook Parties'? Well, this is what you need to conquer the menu. Easy, and a lot can be done ahead, which helps any cook. Ideas and recipes from one end of the meal to the other.
