Customer Reviews

i found this product very helpful in my daily life. every day i find myself in times of trouble and sadness, but ever since i purchased this minecraft meme book, let me be the first to tell you its changed my whole life around. this book is space jammed packed with knee slapping memes that really hits the funny bone. it also pulls on the strongest of heart strings as i found myself late at night taking a daily dose of memes by the fire and i started to tear up a little, i started to notice the wine in

my hand falling out of my grasp and hitting the floor as tears were falling down my face. i have found reason and purpose in life now that i have found this. to whoever made this product, i tip my hat to you with all due respect and love. thank you

So far I have read ever Minecraft memes book by you. I have enjoyed every singe one. The one con is that alot of them are reused and the books are too short. If you are runnin out of ideas, feel free to reuse the memes! Continue to make these awesome Minecraft memes! Thanks!
